### **Safety notes:**

Unfortunately, we cannot have children under 15 years age at consultations.

For home visits we will need a safe place under cover to work on your patient. Please ensure sufficient roof height that a horse will not hit their head and will stand calmly. Please do not be offended if we refuse to treat patients that are wet or do not stand calmly. These are safety issues and we cannot risk you, ourselves or the patient.

Similarly, we may refuse to treat for any other safety issue, including lack of shelter. We look forward to meeting you and your patient. Thanks again for your booking.

## Consent – Animal Biomechanical Medicine

I hereby state that I am the owner/person in charge of the patient and that I consent to the patient being examined, assessed and treated with veterinary care including, but not limited to, Animal Biomechanical Medicine.

I understand that:

- Animal Biomechanical Medicine involves the identification of biomechanical dysfunction in the body and the application of a range of therapies to restore healthy function;
- Techniques applied to my animal may include soft tissue therapies and those derived from Chiropractic and Osteopathy;
- All animal handling carries inherent risks to the animal, handler and practitioners;
- Wade Veterinary Services may refuse to handle my animal if the situation is deemed unsafe for any person, animal or third party or if important information such as x-rays and veterinary reports are not made available when requested;
- Referral to my usual vet or another practitioner may be advised;
- Rehabilitation strategies or changes in my animal's lifestyle may be required for successful outcomes; and
- While reasonable care is taken any form of treatment carries risk of adverse effect.

I agree:

- To follow veterinary instruction regarding safe handling and safe practices; and
- To pay in full for assessment, travel and treatment on the day of service.
- That Wade Veterinary Services can share & request patient information including history, radiographs, medication and treatment with other practitioners where I have given written consent.
- That I have read, and understood the terms outlined above.

## **Consent – Hydrotherapy for Dogs (Underwater Treadmill)**

I hereby state that I am the owner/person in charge of the patient and that I consent to the patient being assessed by a qualified hydrotherapist or onsite veterinarian to determine if hydrotherapy is suitable for my patient.

Once suitability has been confirmed, I consent to my patient having ongoing hydrotherapy with a qualified hydrotherapist. This may be assisted or unassisted.

I understand that:

- Assessment involves the identification of any reasons not to undertake hydrotherapy;
- My hydrotherapist may request another assessment part-way through a rehabilitation regime if concerned about the welfare of the patient;
- All animal handling carries inherent risks to the animal, handler and practitioners;
- Wade Veterinary Services may refuse to handle my animal if the situation is deemed unsafe for any person, animal or third party or if important information such as x-rays and veterinary reports are not made available when requested;
- Referral to my usual vet or another practitioner may be advised;
- Other rehabilitation strategies or changes in my animal's lifestyle may be required for successful outcomes; and
- While reasonable care is taken any form of rehabilitation carries inherent risk of adverse effect.

I agree:

- To follow the hydro-therapist's instruction regarding safe handling and safe practices;
- To pay in full for all assessment and/or hydrotherapy on the day of service;
- That Wade Veterinary Services can share & request patient information including history, radiographs, medication and treatment with other practitioners where I have given written consent; and
- That I have read, and understood the terms outlined above.

### **Notes for Hydrotherapy Clients**

Initial assessment is required before your first hydrotherapy session. This may be done by our team on the day and takes 30 minutes and costs \$75. There is no fee if you have this assessment done at your regular massage, bodywork or ABM vet visit with one of our team.

Veterinary history will be reviewed before your first visit. Please ask your vet to email this to us at [vets@wadevet.com.au](mailto:vets@wadevet.com.au)

Unfortunately, we cannot have children under 15 years age at the hydrotherapy site.
