Important Safety Notes:

We cannot have children under 15 years of age at consultations for safety reasons. By agreeing to our terms, you are agreeing that children will not attend your consultation.

For home visits we will need a safe place under cover to work on your patient. Please ensure sufficient roof height that a horse will not hit their head and will stand calmly.

Please do not be offended if we refuse to treat patients that are wet or do not stand calmly. These are safety issues and we cannot risk you, our practitioners, or the patient.

We may refuse to treat for any other safety issue, including lack of shelter. Full fees still apply and no refunds are applicable for refusal to treat on safety grounds.

We look forward to meeting you and your patient.

Thank you again for your booking.

Cancellations: A cancellation fee applies to cancellations within 24 hours of the appointment.

Full fees will apply for cancellation with less than 4 hours-notice.

Please read the consent forms on the following pages.

You will be asked to sign a copy of the relevant form at your first visit or online with your appointment confirmation.

Consent – Animal Biomechanical Medicine

I hereby state that I am the owner/person in charge of the patient and that I consent to the patient being examined, assessed, and treated with veterinary care including, but not limited to, Animal Biomechanical Medicine.

I understand that:

- Animal Biomechanical Medicine involves the identification of biomechanical dysfunction in the body and the application of a range of therapies to restore healthy function;
- Techniques applied to my animal may include soft tissue therapies and those derived from Chiropractic and Osteopathy;
- All animal handling carries inherent risks to the animal, handler, and practitioners;
- Wade Veterinary Services may refuse to handle my animal if the situation is deemed unsafe for any person, animal or third party or if important information such as x-rays and veterinary reports are not made available when requested;
- Referral to my usual vet or another practitioner may be advised;
- Rehabilitation strategies or changes in my animal's lifestyle may be required for successful outcomes; and
- While reasonable care is taken any form of treatment carries risk of adverse effect.

I agree:

- To follow veterinary instruction regarding safe handling and safe practices; and
- To pay in full for assessment, travel, and treatment on the day of service.
- That Wade Veterinary Services can share & request patient information including history, radiographs, medication, and treatment with other practitioners where I have given written consent.
- That I have read, and understood the terms outlined above.

I understand the estimated fee will be between \$190 and \$265, plus travel and weekend surcharges where applicable as per the table provided in the following link:

https://www.wadevet.com.au/terms/Wadevet_Visit_Terms_and_Consent.pdf

I consent to photos and videos of myself and my animal being used for education & marketing purposes which may be online and understand I can opt out of this at any time.

By agreeing to the electronic appointment consent form for my appointment type (Animal Biomechanical Medicine), I understand that I am agreeing to these fees, terms and conditions.

Consent – Manual Therapy

I hereby state that I am the owner/person in charge of the patient and that I consent to the patient being examined, assessed, and treated with manual therapy techniques.

I understand that:

- Manual therapy involves the identification of biomechanical dysfunction in the body and the application of a range of therapies to restore healthy function;
- Techniques applied to my animal may include a variety of soft tissue therapies;
- All animal handling carries inherent risks to the animal, handler, and practitioners;
- Wade Veterinary Services may refuse to handle my animal if the situation is deemed unsafe for any person, animal or third party or if important information such as x-rays and veterinary reports are not made available when requested;
- Referral to an Animal Biomechanical Medicine vet, my usual vet or another practitioner may be advised;
- Rehabilitation strategies or changes in my animal's lifestyle may be required for successful outcomes; and
- While reasonable care is taken any form of treatment carries risk of adverse effect.

I agree:

- To follow practitioner's instruction regarding safe handling and safe practices; and
- To pay in full for assessment, travel, and treatment on the day of service.
- That Wade Veterinary Services can share & request patient information including history, radiographs, medication, and treatment with other practitioners where I have given written consent.
- That I have read, and understood the terms outlined above.

I understand the estimated fee will be between \$100 and \$175 plus travel where applicable as per the table provided in the following link:

https://www.wadevet.com.au/terms/Wadevet_Visit_Terms_and_Consent.pdf

I consent to photos and videos of myself and my animal being used for education & marketing purposes which may be online and understand I can opt out of this at any time.

By agreeing to the electronic appointment consent form for my appointment type (Manual Therapy), I understand that I am agreeing to these fees, terms and conditions.

Consent – Underwater Treadmill Hydrotherapy for Dogs

I hereby state that I am the owner/person in charge of the patient and that I consent to the patient being assessed by a qualified hydrotherapist or onsite veterinarian to determine if hydrotherapy is suitable for my patient.

Once suitability has been confirmed, I consent to my patient having ongoing hydrotherapy with a qualified hydrotherapist. This may be assisted or unassisted.

I understand that:

- Assessment involves the identification of any reasons not to undertake hydrotherapy;
- My hydrotherapist may request another assessment part-way through a rehabilitation regime if concerned about the welfare of the patient;
- All animal handling carries inherent risks to the animal, handler, and practitioners;
- Wade Veterinary Services may refuse to handle my animal if the situation is deemed unsafe for any person, animal or third party or if important information such as x-rays and veterinary reports are not made available when requested;
- Referral to my usual vet or another practitioner may be advised;
- Other rehabilitation strategies or changes in my animal's lifestyle may be required for successful outcomes; and
- While reasonable care is taken any form of rehabilitation carries inherent risk of adverse effect.

I agree:

- To follow the hydro-therapist's instruction regarding safe handling and safe practices;
- To pay in full for all assessment and/or hydrotherapy on the day of service;
- That Wade Veterinary Services can share & request patient information including history, radiographs, medication, and treatment with other practitioners where I have given written consent; and
- That I have read, and understood the terms outlined above.

I understand the estimated fee will be between \$80 and \$152.50 depending on my patient's needs as per the table provided in the following link:

https://www.wadevet.com.au/terms/Wadevet_Visit_Terms_and_Consent.pdf

I consent to photos and videos of myself and my animal being used for education & marketing purposes which may be online and understand I can opt out of this at any time.

By agreeing to the electronic appointment consent form for my appointment type, (Hydrotherapy), I understand that I am agreeing to these fees, terms and conditions.

Notes for Hydrotherapy Clients

Initial assessment is required before your first hydrotherapy session. This may be done by our team on the day and takes 30 minutes and costs \$80. You can have this assessment done at your triage or ABM vet visit with one of our team.

Veterinary history will be reviewed before your first visit. Please ask your vet to email this to us at yets@wadevet.com.au

Consent – Gait Assessment for Dogs

(Zebris Canidgait Treadmill)

I hereby state that I am the owner/person in charge of the patient and that I consent to the patient being handled by a qualified hydrotherapist or onsite veterinarian to measure gait assessment on a static and moving treadmill.

I understand that:

- All animal handling carries inherent risks to the animal, handler, and practitioners;
- Wade Veterinary Services may refuse to handle my animal if the situation is deemed unsafe for any person, animal or third party or if important information such as x-rays and veterinary reports are not made available when requested;
- Referral to my usual vet or another practitioner may be advised;
- Other rehabilitation strategies or changes in my animal's lifestyle may be required for successful outcomes; and
- While reasonable care is taken any form of rehabilitation carries inherent risk of adverse effect.

I agree:

- To follow Wade Veterinary Services instruction regarding safe handling and safe practices;
- To pay in full for all services on the day of service;
- That Wade Veterinary Services can share & request patient information including history, radiographs, medication, and treatment with other practitioners where I have given written consent; and
- That I have read, and understood the terms outlined above.

I understand the estimated fee will be between \$54 and \$90 as per the table provided in the following link:

https://www.wadevet.com.au/terms/Wadevet_Visit_Terms_and_Consent.pdf

Add tick box for - I consent to photos and videos of myself and my animal being used for education & marketing purposes which may be online.

By agreeing to the electronic appointment consent form for my appointment type (Gait Assessment), I understand that I am agreeing to these fees, terms and conditions.
